COVER SHEET PG 1

CANDIDATE / OFFICEHOLDER  
CAMPAIGN FINANCE REPORT

April/May 2001

### ***DECLARATION***

Thousands of volunteers: PRICELESS.

Apparently a committee is raising some hundreds of thousand of dollars to campaign against the incumbent, local corrupt political machinery.

I believe, and complain, the so-called "report" as unconstitutional; i.e., in apparent violation of the *First Amendment* "Freedom of Speech" and of "Right to Petition Government" and applied against the State and it's subdivision (i.e. the City of San Antonio) *by and through the Fourteenth Amendment of the Constitution of the United States..* and against Any Other acting in concert with that corrupt local government in a charade i.e., "under color of law".. and enforced through Federal laws (for example, Title 42 USC 1983, 42 USC 1981, and Title 18 USC 242). Anyone acting by and through such, I complain, only make themselves legally liable (without immunity -- as the U.S. Supreme Court has ruled many times before).

It is self-evident that the ulterior motive for the so-called "report" is so that the local corrupt political machinery can figure out if they need to throw more cash "fuel into the fire." We have a city of a million being suppressed and run by a gang of a few. The political machine carries out backroom deals and then they ask us all to come like humble slaves and vote theirs into office!

Now is the time! To those who want to be rid and free of the local corrupt political machinery, I say, go about with your own "Freedom of Speech" expenditures and proceed with a "Freedom of Speech" in my campaign against the local corrupt political machinery; for The Purpose of Our Freedom.
